Subject: Updated UIC regulations from DOGGR

DOGGR released a discussion draft of revised UIC regulations yesterday. Here is the link -
<http://www.conservation.ca.gov/index/Documents/UIC%20Update%20Discussion%20Draft%20Regulations.pdf>

Note that this is not a formal proposed rulemaking yet. Still, it makes sense for us to review and flag anything of particular concern during the next 30 days. As context, this is considered Phase 1 of their UIC regulatory overhaul.

Let me know if you have any questions.

Thanks,
David
